PROGRAMME PROJECT REPORT (PPR) MASTER OF SCIENCE - Mathematics

Mission of the Mathematics Department:

- 1. To emerge as a global centre of learning academic excellence and innovative research.
- 2. To pursue collaborative programs with highly reputed National and International institutions.

Vision of the Mathematics Department:

- 1. Imparting quality mathematical education and inculcating the spirit of research through innovative teaching and Research methodologies.
- 2. To achieve high standards of excellence in generating and propagating knowledge inmathematics
- 3. To provide an environment where students can learn, become competent users of mathematics and understand the use of mathematics in other disciplines.

Program Out Comes (PO) of PG in Mathematics & Applied Mathematics: Students are

Expected to know or able to do by the time of graduation. At the end of the programme, the students will be to:

- 1. Apply Knowledge in Mathematics in all the fields of learning including higher researchand its extensions.
- 2. Utilize Number Theory in the field of Cryptography that helps in hiding information and maintaining secrecy in military information, transmission, computer password and e- commerce.
- 3. Facilitate the study of groups in crystallography in chemistry and Lie symmetry groupsin physics.
- 4. Ability to think, acquire knowledge and skills through logical reasoning and in culture thehabit of self- learning throughout life.
- 5. Inculcate critical thinking to carry out scientific investigation objectively.

6. Equip the student with skills to analyse problems, formulate the hypothesis,

evaluate anddraw reasonable conclusions.

7. Imbibe effective, scientific / technical communications in both oral and write.

8. Demonstrate the high standards of ethical issues.

9. Investigate and apply mathematical problems and solutions in a variety of

contexts related to science, technology, business and industry.

10. Illustrate solutions using numeric or graphical or programming methods.

11. Investigate and solve unfamiliar math problems and allow to think on unsolved

mathematical problems.

12. Able to qualify Lectureship and fellowship exams approved by UGC like CSIR-

NET, GATE and SET.

Relevance of the program with HEI'S Mission and Goals: The ODL programs are designed

to equip students with the knowledge, skills, and competencies they need to be successful in their

chosen areas. By providing opportunities for professional advancement, the courses assist the

SVU in achieving its goal of producing graduates with a diverse set of abilities who are prepared

for the demands of the workforce.

Nature of Target Group Learners: The target group of learners for this programme is Teachers

with low qualifications and others who are not able to join the informal education system due to

several reasons. Besides these fresh graduates are not able to join in regular mode due to various

reasons.

Appropriateness of the Programme with Quality Assurance for Acquiring Specific Skills:

The programme is designed by eminent experts in the subjects on par with formal education. The

PPR is designed appropriately for the development of the professional and occupational

standards of the teaching community and to develop skills and competencies among various field

experts. The programme is prepared for changing needs of society with high quality and

structure.

1. Preamble:

M.Sc- Mathematics(P.G Degree) Programme is of two academic years with each academic year

being divided into two consecutive (one odd + one even) semesters.

Choice-Based Credit System (CBCS) is a flexible system of learning and provides choice

for students to select from the prescribed elective courses. A course defines learning objectives

and learning outcomes and comprises of lectures/tutorials/laboratory work/field work/project

work/viva/seminars/ assignments/ presentations/ self-study etc. or a combination of some of

these.

Under the CBCS, the requirement for awarding a degree is prescribed in terms of number

of credits to be completed by the students.

The CBCS permits students to:

• Choose electives from a wide range of courses offered by the Departments of the

College/University.

• Opt for additional courses of interest

• adopt an inter-disciplinary approach in learning

• make the best use of expertise of the available faculty.

• Skill Oriented Course and Multidisciplinary Course/Project are introduced as per

Action Plan of National Education Policy-NEP-2020

2. Minimum Qualification:

Minimum qualification for seeking admission into a specialization of P.G Degree Programme is

U.G Degree, with at least 40% marks for general and pass marks for SC/ST in aggregate,

awarded by Sri Venkateswara University (SVU) in the appropriate Branch of learning or any

other equivalent examination recognized by other Higher Education Institution and Universities.

3. Programme Duration:

3.1 Minimum duration of the full-time P.G Programme is two consecutive academic years

i.e., four semesters and maximum period is four academic years.

DIRECTOR

TIRUPATI - 517 502.

REGISTRAR / B.V. UNIVERSITY

3.2 Semester:

Generally, each semester shall consist of 90 actual instruction days including the sessional test

days. However, instructional days may be reduced up to 72, when necessary, with increased

instructional hours per course per week.

4. Credits:

Credit defines the quantum of contents/syllabus prescribed for a course and determines the

number of instruction hours per week. The norms for assigning credits to a course for a duration

of one semester shall be as follows:

• One credit for every one hour of lecture/tutorial per week

• One credit for every two hours of practical work/seminar per week

• 4 credits in a semester for project work.

5. Classification of Courses:

The courses of each specialization of study are classified into Core Courses and Elective Courses

and Foundation courses. It is mandatory for a student to complete successfully all the Core and

Elective courses pertaining to his/her of specialization of study.

• Open Electives are for the Students of other Departments. Minimum One Paper should be opted. Extra credits may be earned by opting for more number of open electives depending on the interest of the

student through self study.

• Interested students may register for MOOC with the approval of the concerned DDC.

5.1 Core Course

There may be a core course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said

discipline of study.

5.2 Elective Course

Elective course is a course which can be chosen from a pool of papers. It may be:

• Supportive to the discipline of study

• Provide a expanded scope

• Enable an exposure to some other discipline/domain

• Nurture student's proficiency/skill.

5.2.1. An elective may be "Generic Elective" focusing on those courses which add generic

proficiency to the students. These electives shall be "Discipline centric". Three or Four papers

may be offered, of which Two may be chosen.

5.2.2 Skill Oriented Course and Multidisciplinary Course / Project are introduced as per Action

Plan of National Education Policy – NEP -2020.

5.2.3 An elective may be "Open Elective" and shall be offered for other Disciplines only.

Atleast one paper must be chosen for study as mandatory. More than one paper may be studied

through self study.

5.3 Foundation Course:

The Foundation Courses may be of two kinds: Compulsory Foundation and Elective foundation,

"Compulsory Foundation" courses are the courses based upon the content that leads to

Knowledge enhancement. They are mandatory for all discipline. Elective Foundation courses are

value-based and are aimed at man-making education.

5.4 Audit Courses: (100 Marks (Internal) – Zero Credits)

The main aim of the Audit Courses is to the aware of the contemporary societal issues. This

course is under Self Study.

5.5 MOOCS and e-Learning:

Discipline centric elective course through MOOCS (Massive Open Online Course) platform.

Students of I, II and/or III semesters can register for the courses/offered by authorized

Institutions/Agencies through online with the approval of the DDC concerned. The certificate

issued by the Institutions/Agencies after successful completion of the course will be considered

for the award of the Grade to that course in open electives category only.

Further, 30-40% of the syllabus of any one course in I, II and III semesters may be taught

through e-Learning.

6 Course Registration:

Every student has to register for the set of Courses offered by the Department in that Semester

including those of Open Elective course of the other Departments and MOOCS courses with the

total number of their Credits being limited by considering the permissible weekly contact hours.

7 Credits Required for Award of Degree:

A student shall become eligible for the award of P.G degree, if he/she earns a minimum of 96

credits by passing all the core and electives along with practicals, seminars, comprehensive viva-

voce prescribed for the programme.

7.1 It is mandatory for a student to complete successfully all the core courses pertaining to

his/her specialization of study.

7.2 A student may choose Generic Electives from the list of elective courses offered from his/her

specialization of study.

7.3 Further, a student may select from a list of Elective courses from other Departments as Open

Electives to "suit the required" number of credits, such that the total credits is atleast 96.

ECTOR Centre for Distance and Online Education (CDC(3)) Sri Venkateswara University TIRUPATI - 517 502.

7.4 There should be a register maintained by the Head of the Department indicating for each

student, the course (s) registered by the student within the department, so that "Generic

Electives" opted by the student are indicated.

7.5 In the case of Open Elective, the Head of the Department should prepare a statement /register

indicating the courses choosen/ opted by the students of the department in other departments.

7.6 The Head of the Department should send the list of registered papers (opted by the students)

to the principal with a copy to the controller of examinations immediately with in a week of

commencement of each semester.

7.7 A copy of the courses registered by the students in each semester approved by the Principal

shall be sent to the Academic Branch as well as Examination Branch.

7.8 The list of students registered for Mooc's shall be furnished giving details of the programme

with a copy to the Principle and Controller of Examinations.

7.9 A model of Registers to be maintained by the Head of the Department is given in the

Annexure. It is mandatory on the part of the Head of the Department to maintain Register for

each UG/PG Course separately.

8. Scheme of Instruction:

The Board of Studies (BOS) of each specialization shall formulate the scheme of instruction and

detailed syllabi. For every course learning objectives and learning outcomes should be defined.

While formulating the scheme of instruction, the BOS shall facilitate to offer the minimum

number of credits for the entire Programme. The syllabi of theory courses shall be organized into

four / five units of equal weight. The question paper for the Semester end University

Examination in theory course shall consist of four / five units, two questions from each unit of

syllabus carrying a total of 60 marks. There shall be short answer questions for a total of 20

marks.

8.1 Part A contains of 20 marks with two short question from each unit out of which the student

has to answer five questions with each question carrying 4 marks with a total of 20marks.

DIRECTOR

Examination in theory shall consist of five units in each paper, two questions from each

unit of syllabus out of which a student shall answer one question carrying 12 marks for each

question with a total of 60 marks.

In case of any course / programme having practicals out of the total 80 marks, the theory

shall consist of 50 marks and practicals 30 marks. Out of the total theory marks of 50, section A

carries 10 marks and Section B 40 marks. Section A contains 8 short questions out of which 5

should be answered, each question carrying 2 marks.

In Section B, out of 10 questions 5 are to be answered with internal choice each question

carrying 8 marks.

10. Evaluation

10.1 Evaluation shall be done on a continuous basis i.e. through Continuous Internal Evaluation

(CIE) in the Semester and Semester End Examination (SEE). For each theory course, there shall

be two internal tests of two hours duration carrying 20 marks each and one Semester end

Examination of 3 hours duration carrying 80 marks. Internal marks for a maximum of 20 shall be

awarded based on the average performance of the two internal tests.

10.2 The first internal test shall be held immediately after the completion of 50% of the

instruction days covering 50% of the syllabus. The second internal test shall be held immediately

after the completion of 90 instruction days covering the remaining 50% of the syllabus.

10.3 It is mandatory for a student to attend both the internal tests in each theory course. The

weighted average of the marks secured in two tests is awarded as sessional marks. However, 0.8

shall be assigned as weight for the best performance of the two tests whereas for the other test it

shall be 0.2. If a student is absent for any of the internal test for whatsoever reason, the marks for

that test shall be zero.

10.4 The students shall verify the valuation of answer scripts of sessional tests and sign on the

same after verification.

10.5 The valuation and verification of answer scripts of Sessional Tests shall be completed

within a week after the conduct of the internal tests. The answer scripts shall be maintained in the

dept until the semester end results are announced.

10.6 The valuation of Semester end Examination answer scripts shall be arranged by the

Controller of Examinations as per the University procedures in vogue.

10.7 Evaluation of Practicals:

For each practical course, the sessional marks for a maximum of 100 shall be awarded by the

teacher based on continuous assessment of practical work. The Semester end University

practical Examinations carrying 100 marks shall be conducted by i) Internal examiners and ii)

external examiner permitted by the BoS of the Department a panel submitted to the Controller of

Examinations.

11. Project Work:

11.1 The work shall be carried out in the concerned department of the student or in any

recognized Educational Institutions of Higher learning / Universities / Industry / Organization as

approved by the DDC. The student shall submit the outcome of the project work in the form of a

report.

11.2 The project work shall be evaluated at the end of the IV semester with 70 marks for the

report and 30 marks for the Viva Voice with a maximum of a 100 marks.

12. Grading and Grade Points:

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted

by letters O, A+, A, B+, B, C, P and F.

Semester Grade Point Average (SGPA): It is a measure of performance of work done in a

semester. It is the ratio of total credit points secured by a student in the courses registered in a

semester and a total course credits taken during that semester. It shall be given up to two decimal

places.

DIRECTOR

Centre for Distance and

Online Education (CDC®) Sri Venkateswara University

TIRUPATI - 517 502.

SGPA
$$(S_i) = \Sigma(C_i \times G_i) / \Sigma C_i$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.,

Cumulative Grade Point Average (CGPA): It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in the courses in all semesters and the sum of the total credits of all courses in all the semesters. It is given up to two decimal places.

$$CGPA = \Sigma(C_i \times S_i) / \Sigma C_i$$

Where Si is the SGPA of the i_{th} semester and C_i is the total number of credits in that semester.

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

Letter Grades and Grade Points:

A 10-point grading system with the following letter grades is to be followed.

Marks	Grade Point	Letter Grade
75-100	7.5-10	O (Outstanding)
65-74	6.5-7.4	A+ (First)
60-64	6.0-6.4	A (First)

12.1 In each Semester, every student who satisfies the attendance requirements should register

for examination, failing which he/she shall not be promoted to the next semester. Any such

student who has not registered for examination in a semester shall repeat that semester in the

next academic year after obtaining the proceedings of the Principal.

12.2 To pass a course in PG Programme, a student has to secure the minimum grade of (P) in the

PG Semester end Examination. A student obtaining Grade F shall be considered failed and will

be required to reappear in the examination as supplementary candidate.

12.3 A student is eligible to improve the marks in a paper in which he has already passed, in with

4 years from the year of admission as and when it is conducted for the subsequent batches. This

provision shall not be provided once the candidate is awarded Degree.

12.4 A student who has failed in a course can reappear for the Semester end Examination as and

when it is held in the normal course. The Sessional Marks obtained by the student will be carried

over for declaring the result.

12.5 Whenever the syllabus is revised for a course, the semester Examination shall be held in old

syllabus three times. Thereafter, the students who failed in that course shall take the semester

end Examination in the revised syllabus.

13. Award of Degree

A student who has earned a minimum of 96 credits by passing in all the core courses and the

minimum number of electives prescribed shall be declared to have passed the course work and

shall become eligible for the award of degree.

A student who has earned extra credits shall be issued a separate certificate to that effect

mentioning the subject and grade.
